Recommendation

That the committee receive the Director International Success August report

Success Strategy Outcomes

Completion of 2019 Self-review of Code of Practice progressing and we expect to be on time for attestation by 1st October

Overall completion for International operation plan is 24%.

- **Priority 1:** To ensure students feel supported and valued.
- **Priority 2:** To ensure students expectations of future success are delivered by the institute
- **Priority 3:** To ensure all staff are qualified, capable and culturally engaged
- **Priority 4:** To promote Institutional Internationalisation

The Draft International Success Strategy focuses on “nurture” & “manaaki” of our students. The actions are starting to gain momentum and recognition with international students and engagement and participation in events has improved this semester. Student engagement with International success communications is now at 75% (Semester 1 was averaging 65%). Student cultural clubs are actively engaged in events on campus. Support staff are initiating engagement activities with students eg: Indian staff and student mentoring programme initiated and well supported by staff.

Highlights

Great student response to the Academic Excellence scholarship awards – 95% of the awardees attended the presentation (1 student had 5 family members present) with quite a number of students to support.

Excellent engagement in participants for an International student focus group 30th August - report due by 2nd week September

Excellent engagement from Indian staff and students at the 1st Networking session held 3rd September – Staff will take over this programme and have scheduled the next meeting for 1st October

International Student Noho Marae 13th September – good student response received 22 students confirmed with support staff assisting with study support.
