
To	Te Poari Whai Kounga: Quality Alignment Board	From	Simon Tries, Manager, Te Korowai Kahurangi
Title	2019 EoY PEP programme list	Date	17/10/2019

Recommendation/s

That the Quality Alignment Board approve the list of programmes required to provide a Programme Evaluation and Planning report for the 2019 End of Year PEP process.

Purpose

To confirm the list of programmes required to provide either a full or short-form programme evaluation and planning report for the 2019 End of Year Programme Evaluation and Planning.

Background

It is important that programme teams and the institute have clarity regarding which programmes are required to provide what level of reporting with regard to their 2019 delivery. The appended list indicates, for each programme which had enrolled students in 2019 (including administrative programmes), whether a full or short-form (reduced) report is required or whether no report is required.

The rationale for the proposed report type is provided within the attached.
