<b>Title</b>	Postgraduate Representation on Relevant PAQCs	<b>Date</b>	2019 / 10 / 22

---

## **Recommendation/s**

That PAQCs which have Level 9 programmes in their jurisdiction shall have a member who is expressly representing the Postgraduate Research and Scholarship Committee (PGRSC).

## **Purpose**

Clear communication between the PGRSC and the PAQCs.

## **Background**

Unitec has a devolved post graduate eco system at Level 9 & 10, where delivery occurs in programmes with oversight from the PGRSC. This committee has a membership consisting of the leaders of these programmes. These individuals are not necessarily the Academic Programme Managers and may not have representation on the PAQC.

## **Next Steps**

Review the membership of the PAQCs.
