5 Staff Capability & Capacity	5.3.2 ii) Monitoring of engagement with ADEPs - teacher capability	
2 – Reporting and Accountability	2.3.2 Director Māori Success to lead research project to better understand qualification completion, progression and retention rates for Māori – benchmarking	Simon Nash

### Exceptions

Following a hui with other Priority Group Director's and Dr Simon Nash a decision was made to ensure any exceptions raised, should now be aligned to committees for discussion and closure. Below are exceptions from previous reports and assigned to committees:

Report Month	Action	Notes	Committee
May	Missing grades. Data presented in the Director-Māori Success report, May 2019, shows in 2018 that 40 DEF grades and 1178 blank grades. This had an impact on 599 students.	A request was made through the report to provide reassurance that strategies would be implemented to address the non-reporting of grades.	QAB
May	What systems are in place to provide a 'real time' view of Māori student EPIs.		QAB
July	Compulsory attendance at Māori Success Strategy Roadshows.	This has been endorsed by Academic Board, but needs to be socialised through all committees	AB, AA and QAB
August	NPS Verbatim data and how are we responding to student voice?		QAB / AA
