THE TAKITAHİ WEAVE

The woven representation of the Unitec Renewal Strategy is called 'Takitahi' - to weave over one strand, then under the other strand. Takitahi is a symbol that represents synergy, cohesion and strength. Each and every strand - and each of our values and goals - needs to be woven together in unity to create the weave.

Improve the success of all learners, achieving parity for Māori, Pacific and under 25s by 2022, enhancing international learner success and serving the educational needs of West, Central and North Auckland communities
