
To	Poari Mātauranga Academic Board	From	Simon Tries, Manager, Te Korowai Kahurangi
Title	Programme Review update	Date	27 November 2019

Recommendation/s

That Poari Mātauranga receive the update on Programme Reviews.

Purpose

The purpose of this report is to provide Te Poari Mātauranga with an update on the status of current programme reviews.

Commentary

The report provides an overview of all programmes currently or soon to be under review.

Te Korowai Kahurangi has held a start-up meeting using the revised Programme Review Process. Through Āta Kōrero a draft of the school's process for the review was developed and one school has started the review process using the new model.

Expectations are that a school who starts the Programme Review process, as scheduled, or one who has started the process on time having re-negotiated an extended completion will be on the tracker as green. If a school has started the process and not progressed, amber will be noted, and, a school who has not started within the semester stated will be noted by red. It is a requirement to have completed by the duration date or communicated your position. For those who are scheduled to start a Programme Review at a future date, the RAG will be green.
