**Recommendation/s**

That the Academic Board approve the reassigning of academic regalia hood colours for the following programme:

- Cinnamon – to be shared between the Master of Teaching and Education Leadership and Master of Applied Practice

**Purpose**

The above recommendation addresses the requirement for each Degree Programme to be assigned a specific colour for the hood of its regalia.

The Master of Teaching and Education Leadership is a programme that is graduating its first and last Unitec cohort. Future graduands will be under the Mindlab umbrella. Master of Teaching and Education Leadership is no longer offered by Unitec.

This request utilizes current stock regalia for programmes that have synergies with the new qualification and eliminates the need to invest in purchasing new regalia.
