
To	Te Poari Mātauranga Academic Board	From	Simon Tries, Manager Te Korowai Kahurangi
Title	Degree Monitoring	Date	26 February 2020

Recommendation/s

That Te Poari Mātauranga note the Degree Monitor's Schedule 2020 submitted to NZQA.

Purpose

The purpose of this report is to provide Te Poari Mātauranga | Academic Board with an update on the status of Degree Monitoring for 2020.

Commentary

The Degree Monitor's Schedule indicates when monitoring for each programme is expected to occur. It should be noted that NZQA require the majority of Degree Monitoring to occur in the first half of the academic year, we have requested that the schedule reflect this requirement.

Next Steps

Te Korowai Kahurangi will continue to track and report on new degree monitoring within the institute and that where a new monitor has been appointed, "programmes due for their first visit or where a new monitor has been appointed, a NZQA evaluator must accompany external monitors in these instances".
