

Unitec School of Creative Industries – Weekly Newsletter: 9 Mar 2020

Unitec acting grad **Lucy Currey** (pictured far left) will portray Arawa Bain, the sister of David Bain in the upcoming TV series *Black Hands*, based on the events surrounding Bain, who was first found guilty of the murder of his parents and three siblings in 1995, then acquitted in a 2009 retrial. Producer Robin Scholes said she hoped the show would bring a new angle to the murders, one of NZ's most notorious crimes. The five-part series will air on TVNZ 1 later this year. [Read more here](#). Currey has been busy since graduating at the end of 2018, with roles in feature film *Black Christmas* and TV series *Cowboy Bebop* and *Westside 5* last year.

Screen Arts grad **Jack Brown** was the editing assistant on *Guns Akimbo*, a new action feature film starring Daniel Radcliffe of *Harry Potter* fame and filmed in Auckland. [More here](#).
