**Recommendation/s**

That Te Poari Whai Kounga | Quality Alignment Board receive the update on 2020 - Consistency Reviews.

**Purpose**

The purpose of this report is to provide Te Poari Whai Kounga | Quality Alignment Board with an update on the status of Consistency Reviews.

**Commentary**

The attached report outlines the preparation and outcomes for Consistency Reviews. Unitec are continuing to prepare for Consistency Reviews. Unitec have received two Consistency Review outcomes from NZQA with very positive results. The New Zealand Certificate in Real Estate (Salesperson) (Level 4) provided excellent commentary citing that [Unitec's] 'use of independently verifiable data supports the integrity and validity of the organisations own data and analysis'. Moreover, the NZ Certificate in Horticultural Services (Level 4) was mentioned for good practice in their deep and meaningful analysis of graduate feedback of three groups; graduates in work, graduates in further study and those not in either work or study.

**Next Steps**

Te Korowai Kahurangi will continue to track, and report on NZQA Consistency process.
