Title	Programme Development	Date	20/05/2020

Recommendations

That Te Poari Mātauranga | Academic Board receive the update on Programme Development.

Purpose

The purpose of this report is to provide Te Poari Mātauranga | Academic Board with an update on current programme development and to decide on submissions as presented for external accreditation and approval.

Commentary

The report provides a high level overview of all programmes currently under development. The majority of the programmes under development are as a result of undergoing a review. Present activity on the tracker notes that the postgraduate Business suite of courses are still being assessed and awaiting approval and accreditation from NZQA. Two Level 4 New Zealand Certificates in Business have been developed and are in the process of being internally approved.

Reminder: it is important to note both the internal and external deadlines when considering programme development and improvement.
