Recommendation/s

That Poari Mātauranga receive the update on Programme Reviews.

Purpose

The purpose of this report is to provide Te Poari Mātauranga with an update on the status of current programme reviews.

Commentary

The report provides an overview of all programmes currently or soon to be under review.

The current status is that no change has occurred in the last month relating to Programme Reviews. The report can only reiterate that all programmes named on the Programme Review schedule have been contacted and have been made aware of this workflow. Most programmes have created a plan for the programme reviews however, the current environment and situation will likely impact on, among other things, this process.
