Dear Scholarship Selection Committee,

As a recipient of the 2019 "Unitec International Academic Excellence" Scholarship, I wanted to thank you for awarding me this scholarship. I was very excited to learn that I have been selected as the winner of the scholarship. I am appreciative of your support of my education.

Currently, I am a student in my final year of Bachelor of Veterinary Nursing at Environmental and Animal Science School. I completed my Diploma in Veterinary Nursing and Certificate in Animal Technology at Unitec three years ago. After finish the Bachelor, I plan to keep practicing at a general veterinary clinic and pursue specialty training, Veterinary Technician Specialist in General Practice. Thanks to you, I am one step closer to my dream and goal.

As everyone knows, the textbook is very expensive to purchase, and specialist training requires a large amount of reading. Because of this scholarship, I will be able to buy more books for my education.

Thank you again for your investment in students like myself and in our education. By awarding me the "Unitec International Academic Excellence" Scholarship, you are allowing me to focus on the most important aspect of veterinary nursing, learning. I hope that one day I will also be able to help a student achieve their goals like you've helped me.

Yours sincerely,

Shengjun (Richard) Jin
