From	Marcus Williams Director Research and Enterprise	Phone No.	021 401 965
Subject	Subcommittee Chair Report – Unitec Research Committee		

Work Summary Update

- The application to be a research centre from the Applied Molecular Solutions team was unanimously approved.
- The proposal to expand the definition of the research output type; Presentation (non-conference), to more explicitly include a webinar output was discussed at length and sent back for more research and development. This was in relationship to the potential for such an output to be quality assured.
- A new research goal around Student Integrated Research was intensively discussed and ultimately supported to be presented to Academic Board.
- Early Career Research support for Return from Parental Leave was awarded to Dr Sarah Wells, School of Environmental and Animal Science.
