<b>To</b>	Te Poari Whai Kouna   Quality Alignment Board	<b>From</b>	Jackie Tims Te Korowai Kahurangi
<b>Title</b>	Degree Monitoring	<b>Date</b>	09 June 2020

---

**Recommendation/s**

That Te Poari Whai Kouna | Quality Alignment Board note that all Degree Monitoring has been put on hold by NZQA. We have been advised that Degree Monitoring will resume shortly, however a schedule has not yet been published.

**Purpose**

The purpose of this report is to provide Te Poari Whai Kouna | Quality Alignment Board with an update on the status of Degree Monitoring for 2020.

**Commentary**

The programmes with immediate Degree Monitoring have been apprised of the current situation. The tracker remains at status quo with no visits occurring in the current environment.

**Next Steps**

Te Korowai Kahurangi will continue to track and report on new degree monitoring within the institute and that where a new monitor has been appointed, “programmes due for their first visit or where a new monitor has been appointed, a NZQA evaluator must accompany external monitors in these instances”.
