Recommendation/s

That Te Poari Mātauranga | Academic Board receive the update on Programme Development.

Commentary

Te Korowai Kahurangi communicated deadlines for programme development and improvement in accordance with NZQA published dates to schools. Schools were asked to indicate any development and/or improvement in order to inform a number of internal work flows and NZQA. The attached RAG has now been updated with the list of programmes who responded. NZQA have been advised of expected activity in this area.

A programme Start-Up Meeting occurred for three programmes. Internal stakeholders across the institute were in attendance to hear the new programme offerings.
