**Recommendation/s**

That Poari Mātauranga receive the update on Programme Reviews.

**Purpose**

The purpose of this report is to provide Te Poari Mātauranga with an update on the status of current programme reviews.

**Commentary**

The report provides an overview of all programmes currently or soon to be under review.

The current status is that *no programme reviews* have progressed for any L7-10 programmes this year. Programmes named on the Programme Review schedule have been contacted and are aware of the timeframes. Some programmes have created a plan for the programme reviews however, environmental issues have had a detrimental effect on this work flow. Te Korowai Kahurangi have commenced working with programme teams to reset the timeframes for the reviews.

**Next steps**

Te Korowai Kahurangi continue to contact programme teams to confirm specific dates for start and completion of the Programme Review along with a Plan of Action containing milestones.
