Awaiting response	48	31%
RAG completed	106	69%

Rubric: Criteria for rating status of discontinuing academic provision

For Column K (Enrolled active students)	Green	Performance is generally strong or exceptional
		Effective contributing teach-out processes
		Few gaps or weaknesses in teach-out student records
	Yellow	Performance is variable
		Inconsistent contributing teach-out processes
		Some gaps or weaknesses in student teach-out records that have some impact, and are not managed effectively
	Red	Performance is unacceptably weak
		Ineffective contributing teach-out processes
		Significant gaps or weaknesses in student records that have significant impact, and are not managed effectively
Column L (Programme Active Students)	Green	Performance is generally strong or exceptional
		Effective contributing teach-out processes
		Few gaps or weaknesses in teach-out student records
	Yellow	Performance is variable
		Inconsistent contributing teach-out processes
		Some gaps or weaknesses in student teach-out records that have some impact, and are not managed effectively
	Red	Performance is unacceptably weak
		Ineffective contributing teach-out processes
		Significant gaps or weaknesses in student records that have significant impact, and are not managed effectively
