COVID-19 Health and Safety Induction Alert 2

For Unitec Staff and Learners

Contents

**Unite
against
COVID-19**

Contents of this presentation are 10 slides detailing:

- What you need to know before entering campus while in COVID-19 Alert Level 2
- Information for while on campus
- Leaving campus

This presentation should take approximately 5-6 minutes.

Individual Roles and Responsibilities

Learners

Learners who are on campus will have the responsibility of managing their own health and safety by following Alert Level 2 procedures. This includes: wiping down anything they have touched or used before they leave, practicing good personal hygiene, scanning the QR codes for each building they enter for contact tracing purposes, physical distancing of 1m if in class, and wearing a face covering if social distancing is not possible.

Protect yourself
and others from
COVID-19

Individual Roles and Responsibilities

Teaching and Support Staff

All teaching and support staff must comply with all Alert Level 2 procedures. All staff are responsible for ensuring that learners are adhering to the required COVID-19 procedures while following the Alert Level 2 procedures themselves. This includes: wiping down anything they have touched or used before they leave, practicing good personal hygiene, scanning the QR codes for each building they enter for contact tracing purposes, physical distancing of 1m if in a class or the office, and wearing a face covering if social distancing is not possible.

Poster Resources

There will be additional posters printed for teachers and staff that can be picked up from B107 if there is a specific requirement for a space. These posters include:

Before Arriving to Unitec

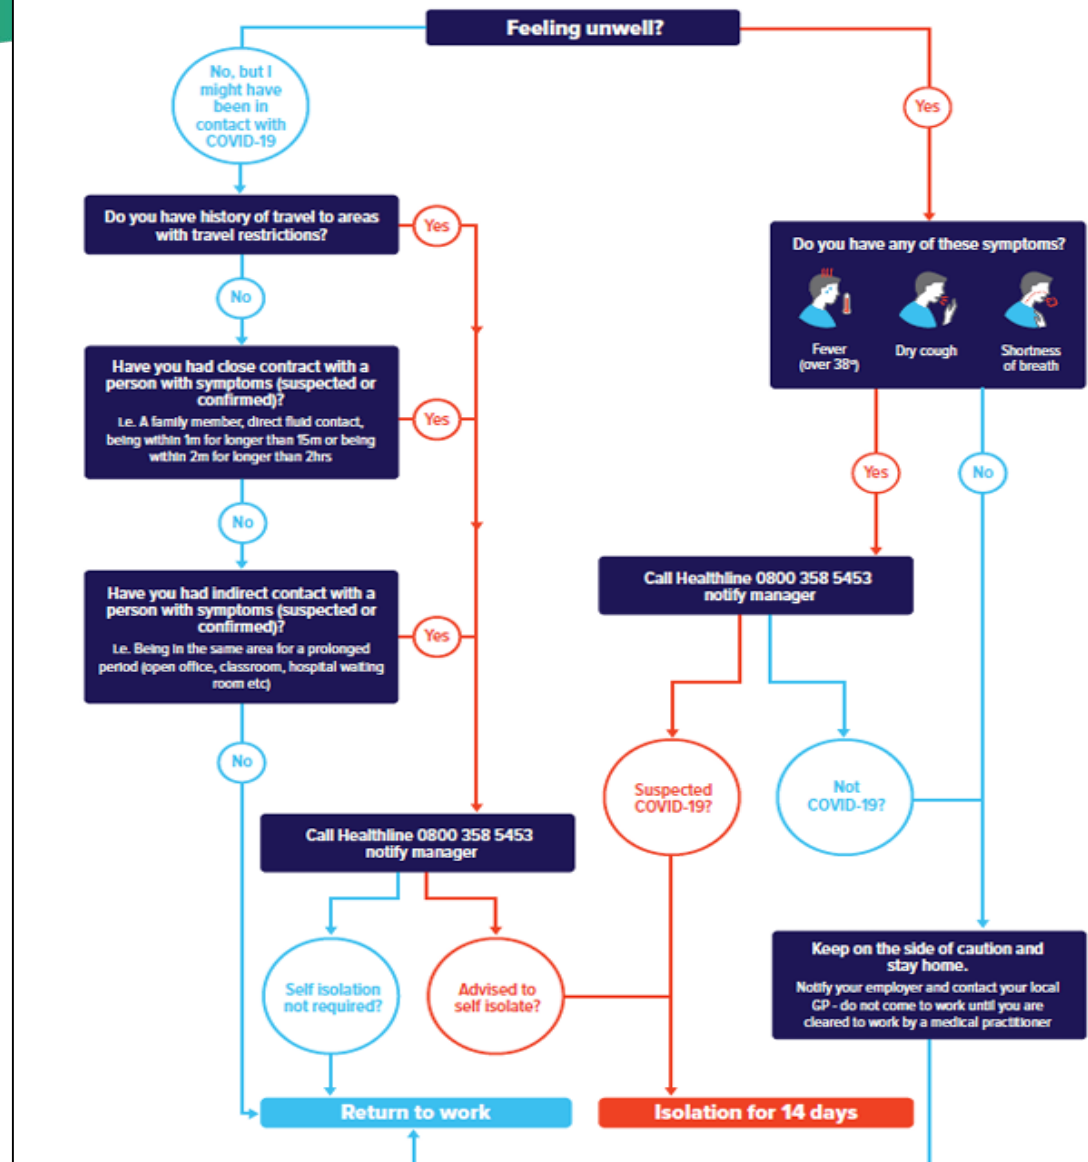

Follow the Personal Health Guidelines flowchart

Stay home if you are sick.
Call your GP before visiting them or
call Healthline on 0800 358 5453.

Personal Health Guidelines

Personal Hygiene & Sanitising

Personal Hygiene

Before entering the learning space, staff and learners are required to wash their hands with soap and water for at least 20 seconds and dry thoroughly, using the bathrooms that are located closest to the learning space.

Hand Sanitising

There are selected sanitising stations around certain areas on both campuses. In common areas, sanitiser will be wall mounted and in other spaces sanitiser will need to be shared. Hand sanitiser bottles are available and can be picked up and refilled/replaced at Goods & Transport in Building 107. Please arrange top-ups as and when required.

Sharing of Tools

Tools must not be shared and need to be sanitised before and after use. Hands also need to be sanitised before and after using the tools.

Contact Tracing

Download NZ COVID Tracer

New Zealand's official contact tracing app

Buildings on Campus

At every building entrance on campus, there will be QR code posters. All learners and staff are required to sign in by scanning the QR code for each building they enter. If the learner or staff member does not have a smart phone, they must sign in on the physical sign-in sheet provided.

Shuttle Buses

There will also be QR codes for contact tracing on Unitec shuttle buses, as well as physical sign-in sheets if the user does not have a smart phone. Face coverings or masks will be mandatory on shuttle buses.

Physical Distancing & Face Coverings

Physical Distancing

Physical distancing of a minimum of 1 metre will apply in the learning space and office area and minimum of 2 metres around campus.

Wearing a Mask or Face Covering

If physical distancing of 1-2m cannot be maintained, learners and staff are required to wear a mask or face covering. Learners and staff must bring their own face covering to campus. If forgotten, masks will be available for purchase in Breaktime at Mount Albert and at reception at Waitakere.

How to Safely Put on a Face Mask

HOW TO SAFELY PUT ON A FACE MASK

1. Ensure your face mask is clean and dry and is not damaged.

2. Before putting on your face mask, clean your hands with soap and water or use hand sanitiser (containing at least 60 percent alcohol). Ensure your hands are dry.

3. Place the face mask over your nose and mouth and secure with ties or loops. Make sure the mask fits snugly, moulded to your face and around your nose. Make sure the mask fully covers your nose, mouth and chin. Your mask should be comfortable, with no gaps around the mask and your face, and allow you to breathe easily.

4. Clean your hands again (as above).

How to Safely Remove a Face Mask

HOW TO SAFELY REMOVE A FACE MASK

1. Clean your hands with soap and water or use hand sanitiser (containing at least 60 percent alcohol). Ensure your hands are dry.

2. Remove the face mask (do not touch the front of the mask) by untying ties or removing loops and pull it away from your face. Be careful not to touch your eyes, nose and mouth when removing your mask.

3. Wash or dispose of it appropriately
4. Clean your hands again (as above).

Leaving Unitec

Cleaning Equipment/Materials

Learners are to sanitise surfaces and equipment that they have used. Staff will sanitise surfaces and equipment between classes.

Spray disinfectant for surfaces and cloths are available and spray bottles can be refilled/replaced at Goods & Transport in Building 107. Please arrange top-ups as and when required. Please organise responsibility of these tasks within your team

Personal Hygiene

Staff and learners will wash their hands with soap for a minimum of 20 seconds, (or sanitise), and dry hands thoroughly before leaving.

Clean and disinfect all surfaces and objects

Sanitise on your way out
