Title	Update on issues relating to non-completion	Date	2020/09/2

Recommendation/s

That To Poari Whai Kounga receive this update on the investigation of issues relating to non-completion: enrolment, re-enrolment, credits and graduation.

Purpose

To report to the Committee concerning the plan and time frame for actions arising from the investigation of these issues. Attached is a high level plan with the expected time frames for delivery.

Background

Work towards understanding the nature of the issues identified by ARC and impacting enrolment, re-enrolment, credits and graduation, began in July 2020.

This work is ongoing and has been summarised in the attached document titled “Report on investigation into issues relating to Non-Completion.”

Please note that due to the complexity of some issues across multiple processes and teams, timeframes are approximate only.

Next Steps:

Details of further action on these matters will be reported for November QAB.
