Subject	Subcommittee Chair Report – Postgraduate Research and Scholarships Committee		

---

- The guidelines, application and terms and conditions for postgraduate programmes scholarships were reviewed, including a new online form for students to apply. The recommendations of this very substantive review were finalised, refined and approved.
- The deadlines for applications were discussed and coordinated between the priority group scholarships and the programme scholarships, so that appropriate decision making around applicants for multiple scholarships is assured. A highly collaborative model has been agreed.
- A plan for Professional Development of Level 9&10 supervisors was approved, noting that it was decided that until this can be developed as a badge, no further mandatory requirements should be placed on supervisors. Discussions with Te Puna Ako are underway.
