	Progress on this Programme review is…	This programme review has been (completed)…	Programmes management of follow up actions
Excellent	Programme review starts in time to complete by deadline deadline **AND** There is a clear plan for the review with specified milestones **AND** Review remains on track **AND** Engagement with stakeholders, including iwi, has been well documented in a Consultation Log	The Review is completed on time with a summary report provided to PAQC (and relevant others) **AND** Engagement with stakeholders has been robust and collaborative in the spirit of Te Noho Kotahitanga **AND** There is a clear succinct report on the review with clear next steps outlined in an action plan	The action plan is appropriate and disseminates beneficial practices **AND** The actions required to manage gaps in self-assessment capability of the programme are SMART, minor or not required **AND** Are being effectively overseen by the PAQC **AND (Final Action)** Actions are on track / completed in accordance with the SMART goal.
Good	Programme review starts in time to complete by deadline **AND** There is a clear plan for the review with milestones **AND** Review remains mostly on track, with some deviation **AND** Engagement with stakeholders is generally positive and well evidenced, but with some gaps	The Review is completed on time with a summary report provided to PAQC (and relevant others) **AND** Engagement with stakeholders has been sufficient and appropriate, but some room for improvement **AND** There is a report on the review with actions	The action plan is appropriate and disseminates beneficial practices **AND** The actions required to manage gaps in self-assessment capability of the programme are SMART, minor or not required **AND** Are <u>mostly</u> being effectively overseen by the PAQC **AND (Final Action)** Actions are <u>mostly</u> on track / completed in accordance with the SMART goal, with some minor deviation
Marginal	Programme review has/was not started in time to complete by the deadline **AND/OR** There is no clear plan for the review with milestones **AND/OR** Review is mostly on track, with some deviation. **AND/OR** Engagement (inluding evidence) with Stakeholders is insufficient	The Review has not been completed on time **AND/OR** A summary report has not been provided to PAQC (and relevant others) in a timely manner **AND/OR** Engagement with stakeholders has been weak, with poor evidence to support the review. **AND/OR** The report does not provide solutions/next step	The actions required to manage gaps in self-assessment capability or the programme are significant and do not address all issues **OR** Actions are not SMART **AND** are not being effectively managed by the PAQC. **AND** (Final Action) Actions are unlikley to be completed on time, are not timely or in accordance with the SMART goal.
Poor	Programme review is significantly behind schedule (starting after it should have been completed) **AND/OR** Programme review progress is significantly impacted **AND/OR** Programme review will not be completed by planned completion date **AND/OR** There has been little engagement with stakeholders	The Review has significantly missed its completion date. **Or** No summary report has been provided to PAQC (and relevant others) **Or** Engagement with stakeholders has been insufficient.	No action plan developed to support the required actions from the review **OR** The action plan has not been submitted to PAQC and is significantly late **OR** PAQC oversight of actions does not provide confidence.
