

NEWS

The School of Creative Industries and GALLERY ONE invites you to the exhibition ***Kia whakatōmuri te haere whakamua*** curated by Master of Creative Practice student, **Tyrone Te Waa**. The selected works span time and space, celebrating the diversity and commonalities shared across art and design practice as a means of navigating a way forward. *Kia whakatōmuri te haere whakamua- Walk backwards into our future with our eyes fixed on our past* expresses the intangible relationships that we share not just with each other as artists and designers but also with those that have gone before us, our ancestors that support, lead, guide and surrounds us.

This group exhibition brings together Unitec's Design and Contemporary Arts Māori students and alumni as a way to uphold the values of this whakataukī. The exhibition runs from October 14 - November 6 at Gallery One, Building 76. On Sunday, 18 October between 2.00 and 3.30 pm a number of the artists involved will also talk in the gallery space about their work. The Exhibition will be opened on Wednesday 14 October at 5.00pm.

The Screen Arts team hosted a successful **Screen Bites** holiday workshop in conjunction with the Unitec Pathways College, with high school students from around Auckland coming to Unitec last Thursday. They got to write, shoot and edit their own short films which were screened at the end of the workshop. Despite two lockdowns this year, Screen Arts team still managed to deliver three Screen Bites workshops in 2020 to assist with recruitment for next year.
