- Jeffrey Wu – student central manager, attended the meeting; a productive exchange occurred about the student re-enrolment process improvement project that he leads
- The committee finalised the PGRSC 2021 workplan ready for submission to Poari Mātauranga
- This was informed by an assessment of the committees work in 2020 which associated every agenda item with one of the terms of reference of the committee and classified each item as either compliance or improvement
- The terms of reference were reviewed with one small alteration. This has gone to Poari Mātauranga for approval
- A communication plan was agreed to as to the final phasing out of SPSS (quantitative data processing software)
