Re: Memo provided to ELT titled 'Communication to Students re changes in Māori leadership at Unitec'

Tēnā koe

On behalf of ELT, I would like to thank you for submitting the paper referred to above on behalf of Ako Ahimura/Learning and Teaching Committee. We appreciate the time and thought that went in to preparing it.

The ELT acknowledges the points you raised and understands your concerns.

As part of the Communications Plan in place, we do have a release due to be sent out to students on Monday, so I would like to reassure you that this is in process and we are committed to maintaining a continuous line of communication for both staff and students.

On Wednesday 24 February I personally met with our Student Council President to discuss student concerns.

Thank you again for reaching out to ELT.

Noho ora mai
