Kia ora koutou,

Welcome to the Working Group for the codesign of a unified set of policies, procedures and key forms (PPF) for all Te Pūkenga partners, aligned to the new Te Pūkenga Academic Regulations in development under the Regulating For Excellence (R4E) project. Our new Academic Regulations will give effect to our [Charter](#) and have been underpinned by four mātāpono – Whakaritenga, Tangata, Te Tiriti and Ako - to ensure inclusiveness, integrity, and fairness for learners, as well as a consistent approach to quality.

The focus of this working group is the co-development of a unified set of PPK for the Te Pūkenga network and to give effect to the Academic Regulations. We appreciate your time is precious and we sincerely thank you for agreeing to mahi with us to develop this material. Our Project on a Page for this workstream is attached and this sets out the draft plan for development of the unified framework and an indicative timeline. Also attached is a list of all members of this working group.

We'll be in touch again shortly to share the network collaboration site and with our first collaboration request. We will be setting up regular check in and Q&A sessions via Teams and you are welcome to join these if you have any questions or need information at any stage; however, please don't hesitate to contact either of us if you have any questions. We look forward to working with you on this important project.

Ngā mihi,
Fionna Moyer & Kirsty Owen
