

Zoom classes appearing at a strange time?

e.g. a 1pm class appears as 5pm

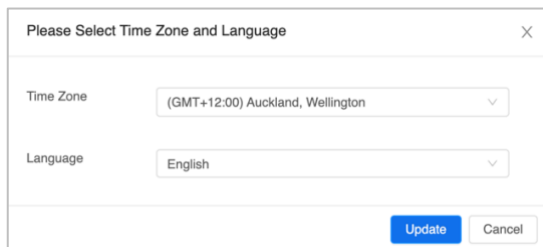

It might be that your Zoom is set to Pacific Time (USA and Canada):

If that is the case, click on the pen icon on the right-hand side.

You will need to scroll down (GMT + 12:00) Auckland, Wellington, English.

Then click Update:

A screenshot of a Zoom dialog box titled "Please Select Time Zone and Language". It has a close button (X) in the top right corner. Inside the dialog, there are two dropdown menus. The first is labeled "Time Zone" and currently shows "(GMT+12:00) Auckland, Wellington". The second is labeled "Language" and currently shows "English". At the bottom right of the dialog are two buttons: "Update" (in blue) and "Cancel" (in grey).

Your Zoom sessions should now appear at the correct time.
