Manawa mai te mauri nuku

Ko te mauri kai au

Ka pakaru mai te pō

12. GENERAL BUSINESS

12.1 Discussion to be had on a comment made by a supervisor – the point was made that the application form in its current state duplicates questions for Māori students who are working with hapū/iwi. The supervisor commented that while this approach may be taken by a number of universities, it effectively puts more demands in responses on Indigenous students/staff.
