

# Contractor Health & Safety Induction CPF - **Red**

# Contents

- Covid-19 CPF – **Red** Information
- Sharing CPF - **Red** procedures with Unitec
- Requirements

*This presentation should take approximately ten minutes.*

# Covid-19 Protection Framework - Red

## Covid Protection Framework (CPF) – Red

At CPF - **Red**, action will need to be taken to protect both at-risk people and protect our health system from an unsustainable number of hospitalisations

### How we stay safe at CPF - Red

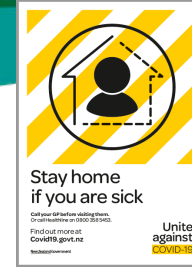

- Record keeping and scanning will be required
- Face coverings are mandatory on flights, public transport, in taxis, retail, public venues, and recommended whenever leaving the house

### Vaccination certificate requirements

- Tertiary education — vaccines are required for onsite access and delivery, with capacity based on 1 metre distancing
- Staff, Students and Contractors will need to be vaccinated and will need to have proof of this to be onsite at CPF - **Red**

# Before Arriving to Unitec

**Unitec**  
**against**  
**COVID-19**

## **Before Arriving**

All contractors are to send the CPF Red operating protocols / SSSPs and guarantee that staff operating onsite are vaccinated by email to your onsite Unitec contact

Ensure that you are in good health and follow the personal health guidelines. This is for your personal health and safety and for the people around you. If you are not well or are displaying symptoms of illness, please do not enter Unitec's Campus and contact Healthline.

## **Personal Hygiene**

Ensure that while onsite you follow good hygiene awareness. There will be hand sanitiser stations available in certain parts of the campus. Wash and dry your hands regularly with soap and water and cough or sneeze into your elbow.

## **Contact Tracing**

All persons will be required to sign in using QR codes with the NZ COVID Tracer app while on campus. If you are unable to sign in using the NZ COVID Tracer app you must complete the paper based sign in register.

# Stay Home If You Are Sick

## If you are sick:

If you have cold, flu or COVID-19 symptoms,  
**stay home**

Call your doctor or Healthline on  
**0800 358 5453** for advice about getting a test

Inform your manager

Get a test and help keep your community safe.  
Testing is free for everyone

Staying at home if you are sick is one way to stop  
the spread of Covid-19.

For guidance refer to the Nest Covid page: [FAQs  
re Awaiting Test results or showing symptoms](#)

# Covid testing

## Testing if onsite at CPF - **Red**

If you have symptoms or have been to a location of interest, please get tested. If you have no symptoms or have not been at a Location of Interest, the Ministry of Health advice is not to get tested in order to free up resources for those who need to.

Please [visit a community testing centre](#) or alternatively contact your GP.

Testing is free for everyone.

If you have a positive Covid-19 test, **stay home**, and advise your Unitec contact person.

For next steps guidance refer to the Nest Covid page: [FAQs re Awaiting Test results or showing symptoms](#).

# Vaccination requirement for Contractors

## Contractors

- Vaccination Status: You must be fully Vaccinated to be on Campus.
- 'My Vaccine Pass': Download your vaccine certificate and have this available to show if requested.

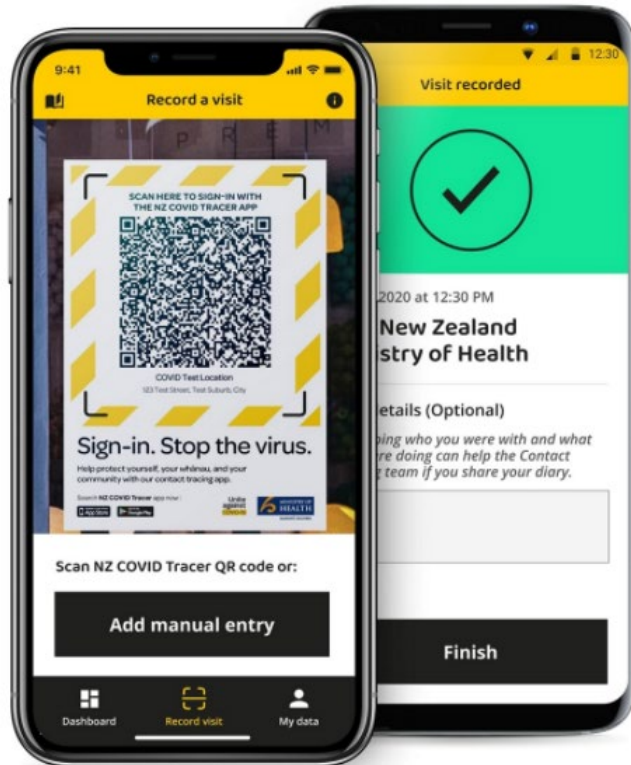

# NZ COVID Tracer app

Scanning QR codes with the NZ COVID Tracer app keeps us 1 step ahead of the virus — the more we scan the safer we'll be.

Once on site, everyone is required to scan using the contact tracing app.

## Turn on Bluetooth tracing

The NZ COVID Tracer app has been updated to include Bluetooth tracing technology. Bluetooth tracing allows you to receive an alert if you have been near another app user who tests positive for COVID-19.

Note: Anyone who starts to exhibit symptoms of COVID-19 or is feeling unwell should stay at home and immediately contact their General Practitioner or Healthline on 0800 358 5453.

# Face Coverings

## Face Coverings at Unitec at CPF - Red

Contractors should bring face coverings or masks when attending onsite activities.

They are mandatory at all times, both inside and outside. This also includes workshops and lifts.

## Face coverings outside of Unitec at CPF – Red

At CPF - **Red** Face coverings are mandatory on flights, public transport, in taxis, retail, public venues, and recommended whenever leaving the house

# Personal Hygiene

## Personal Hygiene

When entering buildings, Contractors will be required to wash their hands with soap and water for at least 20 seconds and dry thoroughly.

# Physical Distancing

## Physical Distancing

Keep in mind that learning is taking place onsite, with capacity based on One (1) metre distancing. A minimum of One (1) metre of physical distancing must be maintained at all times across campus.

# Confirmation
