

Unitec Pathways College Takitahi 2022

Our purpose, strategic priorities and values

THE TAKITAHİ WEAVE

The woven representation of the Unitec Renewal Strategy is called 'Takitahi' - to weave over one strand, then under the other strand. Takitahi is a symbol that represents synergy, cohesion and strength. Each and every strand - and each of our values and goals - needs to be woven together in unity to create the weave.

Build a financially sustainable organisation to invest in the future with an annual operating surplus

We will continue to partner with our stakeholders in a future-focused manner to identify further opportunities for the Under 25s in our communities.
