Takitahi 2022

Our purpose, strategic priorities and values

THE TAKITAHİ WEAVE

The woven representation of the Unitec Renewal Strategy is called 'Takitahi' - to weave over one strand, then under the other strand. Takitahi is a symbol that represents synergy, cohesion and strength. Each and every strand - and each of our values and goals - needs to be woven together in unity to create the weave.

We accept the responsibility as advocates of Unitec Student Voices, and our obligation to ensure Unitec deliver students an authentic and valued Student experience.
