Mō wai me te whānuitanga | Audience and scope

This Policy applies to:

- a) all employees of Te Pūkenga, including contracted staff and secondees providing services for Te Pūkenga, and those on fixed-term contracts (collectively referred to as Kaimahi in this Policy); and
- b) where appropriate, Ohu Kaitiaki, which extends to all those operating at a governance level, including Council members and members of Council's advisory committees.

It covers all expenses including travel, credit cards, and the receiving of gifts, hospitality, and entertainment to and from individuals or organisations external to Te Pūkenga. It also includes gifts received from, or made to, ākonga/learners.

This policy does not extend to koha; the giving and receiving of koha are addressed in a separate koha policy.

This policy is a national policy adopted by Te Pūkenga during its transition phase. This policy is intended to be an overarching policy that applies to Te Pūkenga head office but also sits across the policies and procedures of each business division of Te Pūkenga. In accordance with the Transitioning (Grandparenting) Former Subsidiaries Policies, the policies and procedures of a business division will continue to apply to the operations of the business division to the extent they are consistent with this policy. This policy will be reviewed, monitored and amended as the Finance function in each business division (and at Te Pūkenga head office) transition into the organisational design for the national Finance function.

National Expenditure Policy

1. Purpose

The purpose of this policy is to support the understanding of and set out the expectations for appropriate use of public funds for business expenses, to ensure Te Pūkenga meets its contractual obligations to its preferred supplier for travel management, and all Kaimahi act responsibly to withstand parliamentary and public scrutiny. This Policy covers the giving and receiving of gifts, hospitality, entertainment together with travel expenditure, sensitive expenditure and use of credit cards.

2. Overarching Principles

- 2.1. Expenditure must be within budget and authorised (within the delegation of the authoriser) before it is incurred. Non-compliance with this Policy may result in Kaimahi incurring unapproved expenses at their own expense. Non-compliance may result in disciplinary action up to and including dismissal without notice. For contractors, non-compliance may result in the immediate termination of their contract for service.
- 2.2. Kaimahi will work with integrity, ethically and responsibly to meet all the Code of Conduct requirements¹. When undertaking official duties, Kaimahi should not:
 - a) be out of pocket; or
 - b) have any personal gain or benefit
- 2.3. Gifts and/ or hospitality may not be offered or received except for a justified business purpose and are subject to the principles of moderate and conservative expenditure, integrity, preserving impartiality and be open to parliamentary and public scrutiny.
- 2.4. The guiding principles for expenses are those contained in the [Office of the Controller and Auditor-General's \(OAG\) good practice guide](#). All expense decisions must adhere to the following principles:
 - a) be moderate, reasonable, and appropriate to the situation
 - b) have a justified business purpose
 - c) be subject to high standards of integrity
 - d) be impartial, transparent, and open to parliamentary and public scrutiny
 - e) be pre-approved in accordance with Te Pūkenga delegation policy, within budget, and be authorised appropriately
 - f) no individual may approve their own expense or an expenditure they may have benefited from
 - g) ensure all Kaimahi are aware of this policy and any supporting procedures.
- 2.5. The policy applies to all expenses made and received by Kaimahi and specifically covers the following areas where expenses may be incurred in the course of business:

¹ Where a National Code of Conduct has not been adopted, the Code of Conduct applied within the business division will apply.

- a) entertainment and hospitality
- b) travel and accommodation
- c) goods and services
- d) gifts communications technology including use of mobile
- e) use of Te Pūkenga assets
- f) catering, alcohol, and meals

3. Sensitive Expenditure

- 3.1. In general terms “sensitive expenditure” refers to all expenses incurred by Te Pūkenga that could be seen as giving some private benefit to any kaimahi in addition to the business benefits Te Pūkenga derives from the expense. It is the circumstances in which the expense occurs, together with the materiality and cost, which will determine whether it is potentially a sensitive expenditure.
- 3.2. Sensitive expenditure is discretionary expenditure and choices can be made about the type, level or nature of expenditure and can be perceived to have an element of personal benefit. Sensitive expenditure includes, but is not limited to, the expenditure listed below:

Expenditure
Travel ² - air, car rentals, taxis, private mileage, accommodation, meals ³
Entertainment and hospitality (please see requirements in relation to alcohol at paragraph 8 below)
Using mobile devices and communication technology
Gifts (both receiving and giving) (and excluding koha which are addressed in a separate koha policy).
Individual training or professional development

- 3.3. Travel expenses, entertainment and hospitality should be arranged as per the guidelines of this Policy. Any expenses that fall above the amounts or guidelines specified in this Policy should be treated as sensitive expenditure.
- 3.4. Sensitive expenditure will be consistent with accountability and responsibility standards that the public expects of public servants using taxpayer money, as set out in the guidelines from the Office of the Auditor-General [Controlling sensitive expenditure: Guidelines for public entities](#).
- 3.5. All sensitive expenditure must be clearly identifiable and accurately recorded in the financial systems of Te Pūkenga. This includes gifts received being recorded in the Koha, Gifts and Hospitality Register

² As per the Interim Delegations Policy, all overseas travel must be approved by the Chief Executive prior to any reservations being made. (This applies to Te Pūkenga central office kaimahi only. Business Division Leads will remain responsible for approval in accordance with their previous delegations policy. Overseas travel by Business Division Leads must be approved by the Chief Executive). Chief Executive overseas travel is to be approved by the Chairperson. international travel must be approved by Chief Executive.

³ All Council expenditure is to be approved by the Chairperson of the Council.

available on Te Whare for Te Pūkenga central and on the register for the applicable business division in all other circumstances.

- 3.6. Sensitive expenditure must be correctly coded and appropriate supporting documentation, for example, invoices, must be filed.

4. Giving and Receiving

- 4.1. Te Pūkenga recognises the giving and receiving of gifts, hospitality and entertainment is customary for certain justified business purposes. However, such exchanges can be sensitive because of the range of purposes it can serve, the opportunities for private benefit, and the wide range of opinions as to what is appropriate. All gift and hospitality giving and receiving must follow the principles set out in this Policy.
- 4.2. All gifts and hospitality received by kaimahi at central office should be recorded in the Koha, Gifts and Hospitality Register maintained by Te Pūkenga Council Secretary and records kept in accordance with the Public Records Act 2005 (available on Te Whare (intranet)). This requirement extends to all recipients and so where a gift is received by kaimahi and kaimahi then regifts to another kaimahi, or is permitted to retain the gift by Te Pūkenga, then the regift must also be recorded in the Koha, Gifts and Hospitality Register. In the context of business divisions, the gift should be recorded in the register maintained by the business division.
- 4.3. Kaimahi will take measures to avoid any risk of a gift or hospitality being excessive or inappropriate, or involving an expectation of a favour in return.
- 4.4. Kaimahi must not accept any gift, hospitality, or other consideration if this could be perceived as either an inducement or reward for doing, or refraining from doing, anything in an official capacity, or showing favour or disfavour to any person in an official capacity.
- 4.5. The conduct of individuals should not create the perception of any conflict between their official duties and their private interests.
- 4.6. Where Kaimahi attend an event, function, or occasion where they are representing Te Pūkenga and are presented with a gift or donation from external parties such as:
- a) ākonga
 - b) organisations and third parties
 - c) other government entities
 - d) other individuals,

the gift or donation is considered the property of Te Pūkenga. Where a koha is received, please refer to the Koha Policy.

5. Managing Integrity of Expenditure

5.1. Follow these steps to ensure integrity of expenditure:

- a) Managers must document explanations for any discretionary expenses, particularly sensitive expenditure such as travel, entertainment, internal events or expenses that may appear unusual.
- b) All expenses must be within the delegated approver's budgeted authority and be authorised and approved according to relevant policies, procedures and guidelines.
- c) If the expenditure is high in value in the circumstances, or there is a conflict-of-interest (perceived or otherwise on the part of the person incurring the expense), or could be perceived as sensitive, or the delegated approver is unavailable, then the cost should be referred to the delegated approver one above or the Chief Executive.

5.2. The above standard integrity tests must be applied to evaluate if an expense is reasonable and that it complies with the standards of appropriate spending by Te Pūkenga.

5.3. If you have any doubt at all, check with your manager and do not approve the expense.

6. Budget and Financial Delegation Holders

6.1. Budget and financial delegation holders must ensure that:

- a) all approved expenditure uses the one-up principle
- b) all approvals meet this Policy's standards, principles and other requirements
- c) the correct expenditure coding is used
- d) the expenditure is within budget
- e) all supporting documents are filed

6.2. The authorising manager is accountable for their sensitive expenditure decisions, compliance and consequences of breaches of this Policy. Compliance will be monitored by Finance.

6.3. All Kaimahi involved in making or approving sensitive expenditure are required to comply with this Policy. In addition to the recording of gifts in the Koha, Gifts and Hospitality Register, Council members are required to report gifts on an annual basis within 2 months of the end of each financial year (31 December).

6.4. Where any expenditure within scope of this Policy is deemed to be unreasonable by the Chief Financial Officer or Chief Executive (or Business Division Finance Executive / Business Division Lead in the context of business divisions), an explanation will be sought from the authoriser.

6.5. Kaimahi who consider there are grounds for enquiry into inappropriate expenditure may advise their manager or Finance immediately. Alternatively, regard should be had to the Protected Disclosures (Protection of Whistleblowers) Act 2022 (or any replacement legislation) and the Protected Disclosures

Policy adopted by Te Pūkenga in compliance with this. Council members who consider there to be grounds for enquiry should advise the Chair of Council and / or the Chief Executive.

7. Decision Making

7.1. Applying judgment in decision making regarding giving or accepting a gift or donation.

Standards

- 7.2. All expenses and / or acceptance of a gift must withstand internal and external scrutiny. To ensure this, Kaimahi are asked to apply these standard probity tests before incurring or approving expenditure for a gift:
- a) Can Te Pūkenga confidently justify this expenditure / gift to the Minister, a taxpayer, a stakeholder, or other interested party?
 - b) Does the expenditure support the functions and Charter of Te Pūkenga? If so, what are the specific organisational benefits?
 - c) Would publicity on the expenditure or acceptance of the gift reflect a well-managed and prudent Te Pūkenga?
 - d) Is the expenditure or value of the gift moderate and appropriate to the occasion?
 - e) Is the expenditure good value for money?

Considerations

- 7.3. If the expenditure on a gift or donation to be given or to be received is significant, or likely to be contentious, please consider the following:
- a) Is a risk management strategy necessary for this gift? If so, is it in place?
 - b) Do the benefits outweigh any risks?
 - c) Does the activity's frequency or significance warrant developing a specific policy with which to manage Te Pūkenga risk?

8. Alcohol

- 8.1. All alcohol purchases must be approved by the Chief Executive or the Business Division Lead in the context of business divisions.
- 8.2. Te Pūkenga is committed to providing a healthy and safe environment for Kaimahi, learners and guests. When entertaining, Kaimahi and guests' health and safety must be considered, especially when alcohol is consumed. Te Pūkenga does not tolerate driving under the influence of alcohol.
- 8.3. Expenditure on alcohol should be considered an infrequent event and any amount must be approved in advance by the Chief Executive or the Business Division Lead in the context of business divisions. Regard must be had to the fact that public funds are being expended and the need to withstand internal and external scrutiny.

9. Travel

Orbit World Travel (Orbit) is Te Pūkenga preferred supplier of all air travel, including accommodation and rental vehicles. All travel at Te Pūkenga central office is booked through Orbit by the relevant group's designated travel coordinator. During the transition phase, business divisions may continue to use the Designated Travel Management Company that they contracted with in their pre-dissolution operations.

All of Government Air Travel Contract

- 9.1. Te Pūkenga is a participating agency to the All of Government air travel services contract. This enables Te Pūkenga to access discounted airfares from a panel of five airlines. This panel provides comprehensive route coverage domestically, across the Tasman and internationally.

Approval to Incur Travel Expenses

- 9.2. Consideration should be given for the need to travel prior to making a booking. Video or telephone conferencing may be an acceptable alternative.
- 9.3. All travel by Kaimahi for business purposes whether within New Zealand or overseas must be approved prior to the travel and authorised in accordance with the Delegations Policy.
- 9.4. Any overseas travel by Kaimahi for business purposes must have prior approval in accordance with the applicable Delegations Policy.
- 9.5. Travel for business purposes should be made using the most efficient and cost-effective form of transport where possible. Whilst the lowest cost will be a key factor, consideration also needs to be given to efficiency, risk, effectiveness, appropriateness, and sustainability including travelling time, and location.
- 9.6. All domestic travel expenditure by the Chief Executive shall be approved by the Chair of Te Pūkenga Council within one month of travel occurring.
- 9.7. No-one can approve their own travel arrangements or related expenses. Their one-up manager (own cost-centre) or budget holder (another cost-centre) must approve proposed domestic travel.

Personal Travel

- 9.10. Personal leisure travel is permitted as an extension to approved business travel (e.g. weekend) but must be approved by the Chief Executive or the Business Division Lead in the context of business divisions and any additional cost as a consequence of the extension is met from kaimahi personal funds.
- 9.11. Personal travel beyond authorised trip: Kaimahi travelling on Te Pūkenga business will only be reimbursed for expenses incurred from Aotearoa New Zealand to their destination (and between destinations if multiple countries are included) and return. Te Pūkenga accepts no liability for personal travel costs, incidents or accidents, sight-seeing trips or other leisure activities outside of business travel; this will be at the traveller's sole discretion and responsibility.
- 9.12. Stopovers: Kaimahi may arrange private travel on stopovers during official business. In those circumstances, kaimahi must meet all additional expenses, including the cost of insurance cover as required and pay the travel agency the difference between their cost and the most direct and economical route to the official destination at the time of receipt of tickets

Travel Arrangements

- 9.13. Travel to attend Te Pūkenga meetings or events; flights, accommodation and rental cars are booked through Orbit via the travel coordinator allocated to your team. The travel request is then sent to your approving manager to approve your travel plans before the booking is confirmed.
- 9.14. Where more than one Kaimahi is travelling to the same event then all attempts should be made to travel together where possible.
- 9.15. Te Pūkenga does not provide travel advances for any expenses claimed outside of the standard booking procedure. Reimbursement is provided only after submission of expense claim forms with attached receipts.
- 9.16. Travel arrangements should be made as soon as possible and well ahead of the actual travel date, so the expense is the most cost effective. At a minimum, travel should be booked at least 14 days in advance for domestic travel and 45 days for international. Economy travel is provided for all journeys and any requested upgrades will be incurred at your own cost or are subject to the discretion of the Chief Executive having regard to the purpose of the trip and the time / cost efficiencies of an upgrade and points 9.24 below through to 9.30.
- 9.17. Private travel may be included with Te Pūkenga-funded travel if it is incidental to the business travel and does not create any additional cost for Te Pūkenga. See points 9.11 above through to 9.1311.13 for full information.
- 9.18. Te Pūkenga will reimburse out of pocket taxi, mileage or parking expenses and any expenses actually and reasonably incurred when travelling on Te Pūkenga business in accordance with this Policy. The standard should be modest and appropriately reflect public sector norms.

Travel Insurance

- 9.19. Te Pūkenga does not provide Domestic Travel insurance.

- 9.20. Travel insurance is provided by Te Pūkenga for international travel only. Prior to booking any international travel, please review the insurance policy with your group's travel coordinator, to make sure it meets the needs of your trip. You are responsible to make sure your travel insurance covers what you need for your journey.
- 9.21. For all international travel, travellers must complete a Travel Insurance and Information Form, which must be signed by the appropriate level of delegated travel approver and forwarded to the travel coordinator. Whilst it is acknowledged that some travel is required at short notice, the general expectation is that applications are submitted by the traveller for processing at least 10 working days prior to the trip commencing. All existing medical conditions and medications must be declared on the Travel Insurance Form. Failure to declare existing medical conditions or previous medical events will mean the traveller may not be covered by the policy. Te Pūkenga will not be liable for any costs incurred due to erroneous or incomplete forms.
- 9.22. Independent Contractors (non-employees) travelling on Te Pūkenga business are required to provide their own travel insurance and will not be covered by Te Pūkenga policy unless otherwise negotiated with their appropriate travel approver.

Flights

- 9.23. Your Te Pūkenga travel coordinator will book the most economical airfare as opposed to more expensive fully flexible option unless specifically required, in which case the reason will need to be noted. The standard class for all domestic and international in-flight travel under 10 hours is economy class.
- 9.24. Travellers may be permitted to fly premium economy where in-flight travel is more than 10 hours. Reasons for an upgrade to premium economy could include health or disability impairments, additional travel requirements i.e. a necessity to drive a further distance after landing or where there is a requirement to commence work immediately after landing. - 9.30. Where a flight is cancelled, or a traveller is unable to fly, contact the travel coordinator as soon as possible or if outside of business hours, contact Orbit directly. For any cancellations, the travel coordinator must be contacted prior to travel commencement, where possible, in order for Te Pūkenga to recoup any losses. If the cancellation needs to be made outside of standard business hours, you are required to contact Orbit World Travel directly on their **afterhours number 07 857 0377**. Te Pūkenga preference is that where possible, if the travel cannot be refunded or held in credit, an alternative date is to be booked for future travel.

Air Travel Loyalty Programmes/Clubs

- 9.31. Airlines are not to be selected based on reward schemes, these must only be incidental to the business travel.
- 9.32. Paid membership to lounges or clubs must be made from a Kaimahi personal account or from their personal Airpoints account.
- 9.33. As a part of the All of Government agreement with Air New Zealand, Airpoints are not accrued when travelling for Te Pūkenga, however, status points will continue to be accrued.

10. Accommodation

- 10.1. If it is possible, flights will be booked in and out of the required destination on the same day. There will not be additional accommodation booked unless flights are unavailable or there is a business or safety need to stay overnight.
- 10.2. Accommodation bookings are to be booked to the economy standard within Aotearoa New Zealand, on or under the rate of NZD\$240 per night. This standard will include a single room with bathroom facilities. Depending on the country, international accommodation can be above economy standard, but must be approved by the Chief Executive or the relevant tier 2 ELT member or Business Division Lead prior to the booking being made.
- 10.3. Where accommodation is not available within the capped rate above, the most appropriate option based on business need and value for money shall be selected, ensuring the selection is defensible under public scrutiny. Documentation showing the rationale for the selection shall be collated by the travel coordinator and reported when requested.
- 10.4. Any room upgrades must receive the prior approval within the delegated authority.
- 10.5. Travelers may choose to arrange their own accommodation privately at their own cost. No expense reimbursement would be provided.

- 11.10. Car hire reservations shall not be made directly with a car hire company.
